

# ONE CHURCH—ONE MESSAGE

## Advent Message Series

### WEEK ONE: PROMISE OF A RULER

**Scripture:** Jeremiah 33:14-16

In this week we will introduce the concept of the series. Christmas is a time of promise and high expectations for gifts and family time and fond memories for the future. Not every Christmas fulfills those expectations. Beyond the promises our world offers for Christmas, God offers us a promise as well. He offers the promise of a ruler who will bring stability and strength to the land. God promises to send his Son into our lives to bring stability to our hearts when we enthrone Jesus in our hearts, we can weather any storm that comes our way.

**What does God want us to know?** Christmas is about God's promise of Jesus, a ruler who brings stability and peace to our hearts, not just worldly expectations.

**What does God want us to feel?** He wants us to feel hope, peace, and reassurance, knowing that his Son provides strength through life's challenges.

**What does God want us to do?** Entrust our hearts to Jesus, deepen our faith, and focus on the true spiritual meaning of Christmas.
