WEEK THREE: THE PROMISE OF JOY

Scripture: Zephaniah 3:14-18a

The promise of Christmas is the joy we can experience when we recognize God's presence in our lives. The Lord, our mighty savior, is among us. This week's message focuses on the joy that comes from acknowledging God's nearness and the strength He provides. We may also explore how singing is a powerful way to experience and express this joy.

What does God want us to know? Joy comes from recognizing God's presence in our midst, especially through worship and song.

What does God want us to feel? Uplifted, joyful, and strengthened by the knowledge that God is near and mighty to save.

What does God want us to do? Embrace and express joy by actively recognizing God's presence, particularly through singing and worship.
