LISTEN: Humble yourself in prayer & acknowledge that God is great

Scripture: Luke 9:28B-36

Jesus takes Peter James and John up the mountain to pray and is transfigured before them. The disciples are humbled by his greatness. **In this week's message, we will look at prayer and worship as a way in which we humble ourselves before a God who is greater than us.**

What does God want us to know? That every time we humble ourselves in prayer, like Peter, James and John; we will be eye witness the Glory of the Lord.

What does God want us to feel? God's want us to feel a sense of connection, closeness, peace and love as we are communicating with him, sharing our heart, and experiencing his presence; essentially, a feeling of being heard and understood by a loving Heavenly Father who cares deeply about us.

What does God want us to do? To set aside a specific time to pray. It may be first thing in the morning, in the evening, during your lunch break, your commute, or time spent waiting for the kids. Be creative. Then put the appointment in your calendar and keep it.
